

The Knowledge Center

The Knowledge Center

The Objective is Participation....

...the Goal is Community

What can you do in the Knowledge Center?

- Participate in Discussions
- Connect and Network with other professionals
- Contribute links and documents
- Collaborate in a wiki

Why participate in the Knowledge Center?

- Give back to the profession by sharing your experiences and expertise
- Learn from others
- Build credibility
- Motivation and inspiration

Resources and Collaboration

The Knowledge Center houses all of ISACA's research deliverables as well as topic-based communities.

The screenshot shows the ISACA website navigation menu. The 'KNOWLEDGE CENTER' tab is highlighted, and a dropdown menu is open. An orange arrow points to the 'KNOWLEDGE CENTER' tab, and another orange arrow points to the 'BROWSE KNOWLEDGE CENTER TOPICS' option in the dropdown. The dropdown menu includes the following items:

- BROWSE KNOWLEDGE CENTER TOPICS
Where networking and knowledge intersect.
- Featured Resources
 - Academia
 - eLibrary
 - Legislative Reporting
 - Glossary
 - Career Centre
- BMIS (Information Security)
- COBIT (IT Governance & Control)
- ITAF (IT Assurance/Audit)
- Research (Deliverables/Projects)
- Risk IT (IT Risk Management)
- Standards (Assurance/Audit/Control)
- Val IT (Value Delivery)

Knowledge Center Topics

The screenshot shows the ISACA Knowledge Center website. At the top, there is a navigation bar with links for 'ABOUT', 'MEMBERSHIP', 'CERTIFICATION', 'EDUCATION', 'COBIT', 'KNOWLEDGE CENTER', 'JOURNAL', and 'BOOKSTORE'. Below this is a search bar with a 'SEARCH' button and a link to 'Advanced Search'. The main content area is titled 'IT Professional Networking and Knowledge Center' and includes a sub-header 'Where networking and knowledge intersect'. Below this, there are four buttons: 'Featured Topics', 'Browse Over 100 Topics' (circled in red), 'Search Topics', and 'My Topics'. To the right of these buttons is a text prompt: 'Find Resources & Connect with members on topics that interest you.' Below the buttons is a list of topics categorized by 'Sort by Category'. The categories and their sub-topics are:

- Applications**
 - Oracle
 - Oracle E-Business Suite
 - PeopleSoft
 - SAP
 - SharePoint
- Audit**
 - Audit Guidelines
 - Audit Standards
 - Audit Tools and Techniques
